

9th District Friends-

You'll never know how much the Ninth District GOP leadership team appreciates the hard work that has taken place during the 2008 election cycle and the runoff. Thankfully, tonight we learned that the efforts were effective, and both Republicans won in the state runoff!

I've always known that North Georgia was a special place, but tonight your work made a difference in the history of our nation! While we congratulate Senator Saxby Chambliss and PSC-elect Lauren "Bubba" McDonald, we know this victory would not have been possible without you, the grassroots team of the 9th District.

For those who have not seen the district numbers, the statewide results (97 percent complete) are attached, and each of the counties in the 9th also included to show our efforts compared with the statewide results.

**You'll never know how much your friendship and dedication to Republican principles to each of us.
Thank you!**
